S.M.I.L.E. 5th Annual 5K Race and Fun Run

The 5th Annual event is officially in the books. The event proved to be a huge success. We are so thankful to have had such a huge turn out from sponsors, participants, and volunteers. The event had 285 registered runners and walkers, our largest turn out yet. April 30th has been selected for our race date in 2016.

Day Program Relocation

This is an event that we are all looking forward to with great anticipation. We cannot possibly explain how important this is to everyone in the organization. We are still awaiting final approval from the state on the new location. We continue to follow up on our status daily. We will continue to provide updates as they are available. Thank you for your continued support and understanding throughout this process.

Day Program News

The day program participated in the Annandale Bowling Tournament in Buford. This was a great event and everyone had a great time. Thank you to Annandale and Jeff Jansma for the invite!

Gwinnet County Parks and Recreation provides us with a wonderful park system that allows us plenty of swimming opportunities over the hot months of the summer. The group also continues to participate in volunteer activities, cooking skills, and physical activity.

Congratulations . . .

Congratulations to Josh J. and Casey B. for being named King and Queen in the Mr. and Ms. Special Gwinnett County 2015 Pageant!

Future Closing Dates

Day Program and Main Office will be closed for the following dates:

Labor Day – Monday September 7th

Other News...

Special Olympics Georgia State Masters Bowling Tournament returns to Warner Robins Aug. 21-23. This marks the sixth straight year the event has been held in Georgia's "International City." We wish all of the athletes the best of luck.

Day at the Lake - For thirteen years The University Yacht Club on Lake Lanier has invited people with disabilities, their family and friends for an afternoon at the lake. Dave Erickson has arranged for us to enjoy the hospitality of the University Yacht Club in their private clubhouse and cove on the lake. There will be music, boat rides, fishing (bring your own pole), swimming (bring your own suit), and food (the yacht club will provide the food).

There is no cost for this event.

Due to the popularity of this event we have limited the number of people attending. Reservations are required.
