- **STAY HOME** if you do not feel well or are symptomatic of any illness.
- Participants and staff are expected to apply hand sanitizer upon arrival to and departure from the day program, and whenever necessary.
- Participants are expected to wash their hands with soap and water before/after eating, after using the restroom, after gardening activities, and when visibly soiled.
- All medications assisted with during day program service require a doctor's order and must be kept locked in the designated area at all times.
- **Good personal hygiene** is how you take care of your body. Maintaining hygiene practices is important because it reduces the spread of illness and the risk of medical conditions caused by not taking care of yourself. Regarding major toileting accidents, participants will be asked to go home for proper care.**
